• 2/20/15
  – TAVR (Corevalve)
  – AVR/ CABG x 1
Mentorship
Career Guidance and Development
Celebrity Sightseeing
“I would like to thank Dr. Coselli and the TSRA for this tremendous learning opportunity. It was a whirlwind tour of the entire breadth of advanced aortic surgical techniques in the hands of a master surgeon. It was a unique learning experience that has broadened my perspective and will shape my approach to complex aortic problems in my career.”

- Arminder Jassar, MD
